Ag Partners/CHS Foundation's Seeds Donates \$10,000

As part of their continued support of local communities, Ag Partners Coop, Inc. has made a donation of \$10,000 to be put towards the Nemaha County STEP Foundation's 2018 Capital Campaign. This donation is comprised of a

contribution from Ag Partners Coop, Inc. and the CHS Foundation's Seeds for Stewardship Program. CHS's program matches funds for hometown projects selected and funded by local cooperatives.
