Fund Spotlight: Meals on Wheels - Nemaha County

More than a Meal.

Meals on Wheels is more than just a meal. The primary goal of Meals on Wheels is to help seniors stay independent longer in their own homes. They do this by giving these Seniors quality of life in a setting that is familiar. This is accomplished through providing diabetic, low sodium meals and safety checks, giving peace of mind to their family members.

Meals on Wheels is looking to expand their current services beyond their current borders

to include all Nemaha County residents.
