STEP Up Match Day is set for August 27

The Nemaha County STEP Foundation is excited to announce its first STEP Up Nemaha County (Match Day) which is scheduled for Friday, August 27, 2021. “The STEP Foundation is thrilled to provide a day of community giving where each fund will be eligible for a dollar to dollar match up to \$3,000 per fund,” shared Executive Director Tory Jost.

The Nemaha County STEP Foundation will be holding an in-person day of giving at the Seneca Free Library from 10:00 a.m. to 5:00 p.m. on August 27, 2021. There will be a form to designate where the donor would like the money to be given. Cash, checks, and credit cards are welcome. To give an on-line donation, simply go to www.stepupnemaha.com from 12:00 a.m. to 11:59 p.m. on Friday, August 27, 2021 and select the fund or funds to which you would like to donate. People can watch the tallies of the funds throughout the day via the website. It will be an exciting day of giving.

STEP would like to thank Jim and Patricia Koch for their generous donation of \$50,000 towards the first annual Match Day event. Formerly, they established the Catastrophic Medical Fund to assist those struggling with medical issues such as cancer, stroke, heart failure, etc. Once again, they have stepped up by designating \$15,000 of the \$50,000 to the Catastrophic Medical Fund. We are so appreciative of donors like them.

The Nemaha County STEP Foundation is excited to announce another fund available for the first Match Day event. Community National Bank/CNB Custody/Invisor “Underprivileged Children Fund” was created to assist children of low-income and underprivileged situations who have unmet needs. Disbursements are to be paid directly to service providers, who will purchase the items and work with the low-income children (no cash disbursements). Recipients will generally be referred by and through school systems, hospitals, doctors’ offices, etc.

Because of the generosity of CNB and its employees, this fund will service children in Nemaha County for years to come. Everyone is welcome to contribute to improving the lives of children in Nemaha County through this fund. It will also be one of the funds available to donate to on Match Day.
