STEP Foundation will hold Annual Membership Meeting online

The Nemaha County STEP Foundation has decided to hold its Annual Membership Meeting online on Wednesday, January 27, 2021. Executive Director Tory Jost shared, "With all the uncertainty going on right now, we find it best to utilize technology and look forward to sharing about the impact STEP has made on our communities." In the annual membership letters being mailed at the end of December, members are asked to vote on approving last year's minutes as well as adding Kayne Hagedorn as the newest STEP board member. By returning their votes in the provided envelopes, STEP will have a quorum needed to proceed with the meeting. Then, everyone is invited to join STEP online at www.nemahastep.org or on the Seneca television station at 6:30 p.m. on Wednesday, January 27, 2021 for the pre-recorded meeting.

"We are excited about all the online updates to the STEP website as well as our STEP Up Nemaha (an annual community giving day) coming up in August 2021," Jost shared. Also, the first grant cycle deadline (only online applications accepted) will be midnight on Friday, January 15, 2021. Scholarships will also be completely online this year. Jost stated, "STEP is just that . . . Striving to Ensure Progress as we make Nemaha County a great place to live, work, and raise a family."
